

Palletizing Questionnaire – PL

Date _____

Customer Name _____ Contact Person _____

Designation _____ Contact _____ Email _____

1) Product details:

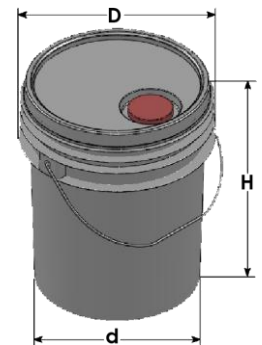

a) Carton (No. of ply _____) Unit _____

Dimensions				
Width				
Depth				
Height				
Speed(Pcs/min)				

b) Pails Unit: _____

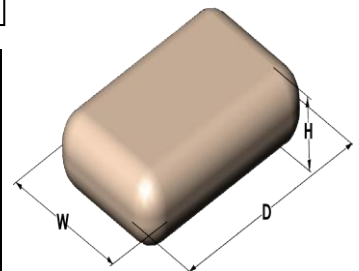

Dimensions				
Top dia.				
Bottom dia.				
Height				
Speed(Pcs/min)				

c) Sacks (Material used for sack) Unit: _____

i) HDPE ii) PP iii) Jute iv) Paper

Dimensions				
Width				
Depth				
Height				
Speed(Pcs/min)				

d) Other – (Please specify with detailed dimensions) Unit: _____

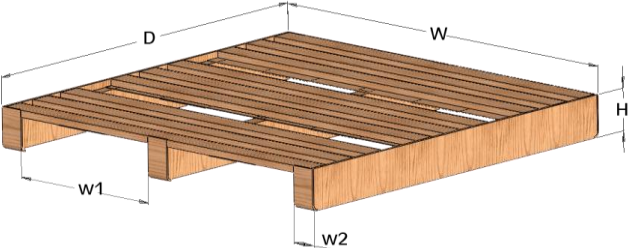

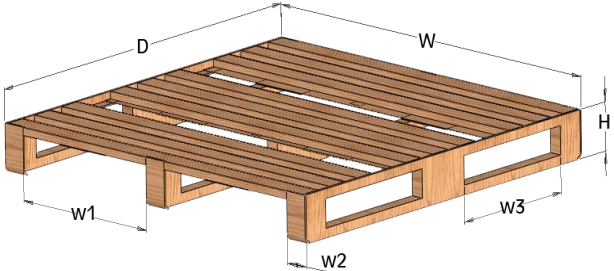

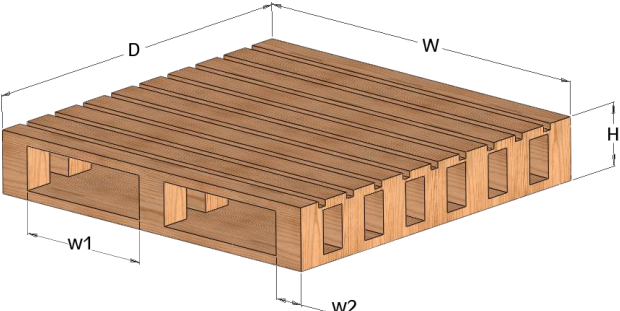

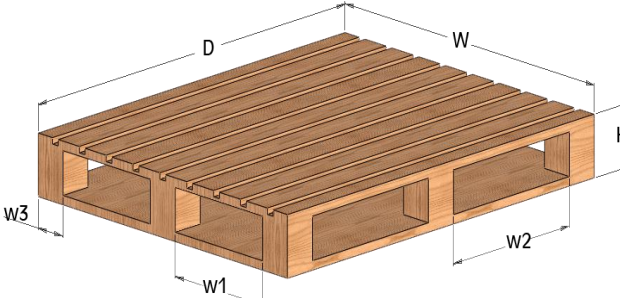

Product Name			

2) Pallet details:

2.1) Pallet Material (Please tick the options from below)

- i) Metal ii) Wooden iii) Plastic iv) Other _____

2.2) Pallet Type & dimensions

Dimensions:	D	W	H	W1	W2	W3
<p>Open Pallet – 2 Way <input type="checkbox"/></p> 						
<p>Open Pallet – 4 way <input type="checkbox"/></p> 						
<p>Closed Pallet – 2 Way <input type="checkbox"/></p> 						
<p>Closed Pallet – 4 Way <input type="checkbox"/></p> 						

2.3) Matrix of Placement on Pallet

Parallel Matrix

Criss-Cross Matrix

T Matrix

2.4) Matrix Details

a. No. products per layer: _____

b. No. layers per pallet: _____

3) Production details: (Plant Location _____ Plant Capacity _____)

a. Production Rate : _____ Pcs/min

b. How does the product flow: _____ conveyor / gravity chute, etc .(Attach Drawing)

c. Orientation of incoming product _____

d. How does the pallet flows? _____ (Attach drawing of shop floor)

e. Frequency of picking away filled Pallet _____

f. Are the pallets stackable? Yes No

g. Whether the project is Greenfield or Brownfield
